

# 東芝照明器具配光データシート

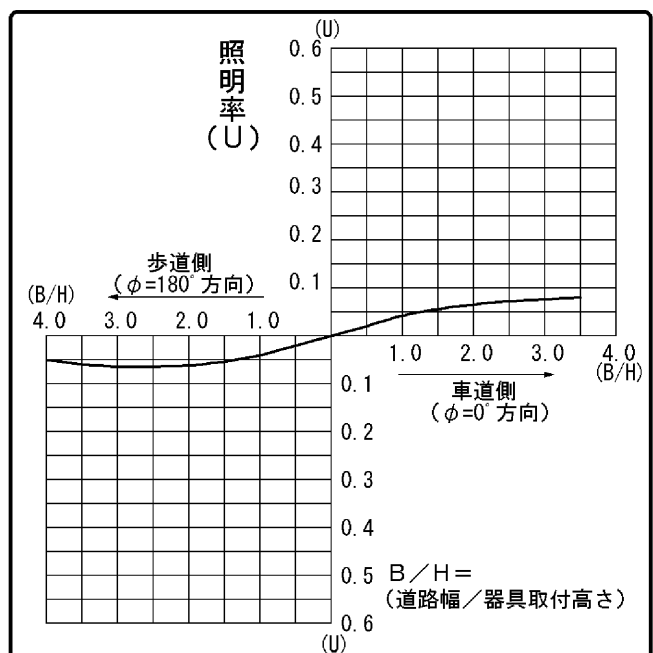

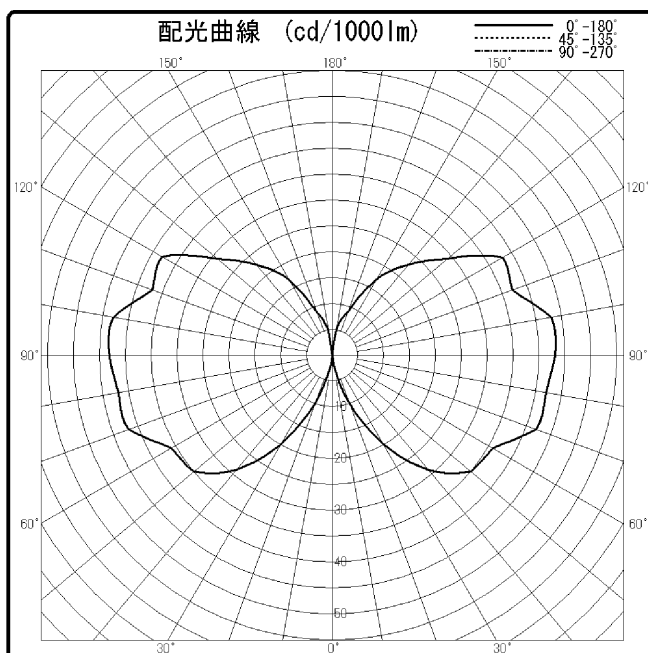

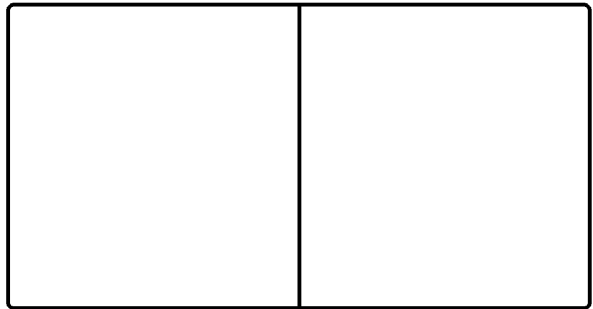

|     |                |
|-----|----------------|
| 名 称 | 東芝LED照明器具      |
| 形 名 | LEDG88919Y (S) |

|    |    |            |
|----|----|------------|
| 光源 | 名称 | LED電球      |
|    | 形名 | LDA7L-H    |
|    | 光束 | 500 lm × 1 |

|     |           |
|-----|-----------|
| 前 面 | グローブ (乳白) |
| 反射面 |           |

|     |   |      |
|-----|---|------|
| 保守率 | 良 | 0.69 |
|     | 中 | 0.67 |
|     | 否 | 0.63 |

|     |                                                                                     |        |
|-----|-------------------------------------------------------------------------------------|--------|
| 効 率 | F  | 19.8 % |
|     | F  | 21.1 % |
|     | F  | 40.9 % |
|     | 器具光束                                                                                | 205 lm |

| 光度 (cd/1000lm) |      | 0° | 45° | 90° | 135° | 180° |
|----------------|------|----|-----|-----|------|------|
| θ \ φ          | 0°   | 0  |     |     |      |      |
|                | 10°  | 2  |     |     |      |      |
|                | 20°  | 10 |     |     |      |      |
|                | 30°  | 20 |     |     |      |      |
|                | 40°  | 29 |     |     |      |      |
|                | 50°  | 35 |     |     |      |      |
|                | 60°  | 36 |     |     |      |      |
|                | 70°  | 42 |     |     |      |      |
|                | 80°  | 42 |     |     |      |      |
|                | 90°  | 43 |     |     |      |      |
|                | 100° | 43 |     |     |      |      |
|                | 110° | 37 |     |     |      |      |
